INFORMATION DISCLOSURE STATEMENT

Pursuant to 37 C.F.R. §§ 1.56, 1.97 and 1.98, the attention of the Patent and Trademark Office is hereby directed to the references listed on the attached Form PTO/SB/08A. A copy of each of the references listed on the attached form is submitted herewith.

Applicants respectfully request consideration of the cited documents and making the same of record in the prosecution of the above-identified application. In so doing, Applicants do not waive any rights to appropriate action to establish patentability over any of the listed documents should they be applied as references against the claims of the present application, or to establish that such references are not prior art. Copies of the documents are enclosed.

It is respectfully requested that the references listed on the attached form be expressly considered by the Examiner and be made of record in the application and appear among the "References Cited" on any patent to issue therefrom.

References listed herein include one German article. Based on the English language version of the abstract of Ugi, I., "Perspektiven von Multikomponentenreaktionen und deren Bibliotheken" J. Prakt. Chem., 1997, Vol., 339, p. 499-516, the review article describes the use of the Ugi Reaction to access numerous organic molecules, including amino acids and derivatives. In addition, schemes 5 and 8 diagram synthetic procedures which use the Ugi reaction to access amino acids and derivatives. A full English translation of the article is not readily available.

This statement should not be construed as a representation that more material information does not exist or that a search of the relevant art has been made.

This Information Disclosure Statement is being submitted prior to the mailing of a first action on the merits in the present application. Accordingly, it is believed that no fees are due for consideration of this Information Disclosure Statement. However, should any fees be due, the Assistant Commissioner is authorized to charge such fees to Deposit Account 16-1435. A duplicate of this sheet is attached for that purpose.

Respectfully submitted,
